IV. PROPOSED PROJECT DATA

A. Location of Project - Please attach a map highlighting the location of the Project. In addition, please give the real property tax map number and exact street address of the Project, including the city or village (if any) and town in which the Project will be located. (If no street address is available, please include a survey and the most precise description available.) Please also identify the school district within which the Project will be located:

Please see Attachment "C" for map. Real property tax map number: 129.00-2-1.3.

Project address: 1801 State Route 17C, Owego, NY 13827.

Project location: Town of Owego. School district: Owego Apalachin.

- B. Project Site - Please submit 3 copies of plans or sketches of the proposed acquisition, renovation or construction (under separate cover is permissible). Also attach a photograph of the site or existing facility to be improved.
Please see Attachment "D."

1. Acreage ~ 3 acres
2. Acquisition of existing buildings:
 - a) Existing buildings to be acquired (number of buildings and square feet of each building):
N/A
 - b) Does the Project consist of additions and/or renovations to existing buildings? If so, indicate the nature of the expansion and/or renovation in reasonable detail.
Renovations to an existing building would be required to
support the manufacturing operations needed for this project.
Open hangar space would be converted to temperature and humidity-
controlled manufacturing space.
3. New Construction:
 - a) Number and square feet of each new building to be constructed:
N/A
 - b) Builder or contractor and address:
N/A
 - c) Architect and address:
N/A
4. Present use of the Project site:
Manufacturing of aerospace and defense products and location of
Lockheed Martin's Machining Center of Excellence.

5. Present user of Project site:

Owner

6. Relationship of present user of Project site to the Owner, if any: N/A

C. Project Use Description – Please provide a detailed description of the Project and the Project's intended use.

The project would require the renovation of ~70K SF of space within Building 080 (tax map number: 129.00-2-1.3.) of the Lockheed Martin Owego campus, of which 44K SF will be used for manufacturing and 26K SF will be used for helicopter integration and supporting flight ops. New machinery and equipment will need to be procured with the intended use for the production of aerospace and defense products.

APPLICANTS FOR TAX-EXEMPT FINANCING PLEASE NOTE: The Tax Reform Act of 1986 limits the types of facilities that are eligible for tax-exempt financing to manufacturing facilities, civic facilities and certain other exempt facilities.

N/A

D. Are there utilities on site? Yes

- | | | |
|----|-------------------------------------|----------------------|
| a. | Water (indicate municipal or other) | <u>Veolia Water</u> |
| b. | Sewer (indicate municipal or other) | <u>Town of Owego</u> |
| c. | Electric (Name of utility company) | <u>NYSEG</u> |
| d. | Gas (Name of utility company) | <u>NYSEG</u> |

- E. If any space in the Project is to be leased by the Agency or the Owner to third parties, or subleased by the User to third parties, indicate the total square footage of the Project to be leased to each tenant, and the proposed use of that space by each tenant. Although the tenants may not yet be known, the general purposes for which the Project will be used must still be indicated (e.g., manufacturing, office, warehouse, etc.). Use a separate sheet, if necessary.

N/A

- F. 1. List principal items or categories of equipment to be acquired as part of the project and identify whether equipment will be new or used.

All equipment to be purchased in support of this opportunity will be new. Equipment includes Winding Machines, Industrial Ovens, Freezers, a Paint Booth, High Tech Inspection Equipment, along with miscellaneous support equipment for storage and transport of materials and product.

2. Have any of the items or categories listed above been ordered or obtained? If so, enclose copies of purchase orders, contracts and/or invoices.

- G. Has construction work on the Project begun? If so, complete the following:

- | | | | | |
|----|-------------------------|---------------------------|--------------------------|---------------------------------------|

| 4. | Steel | ☐ yes | ☐ no | <u> % complete </u> |
| 5. | Masonry | ☐ yes | ☐ no | <u> % complete </u> |
| 6. | Other (describe below): | | | |

Demolition has started where the proposed renovations would occur should the project be approved for Owego. This would allow the site to immediately progress the necessary renovations. The site is also in talks with NYSEG about additional power needed to support increased manufacturing.

H. Existing facilities within New York State:

1. Are there other facilities owned, leased or used by the Owner or User (or any related person) within the state? If so, tell where such facilities are located and describe the terms of the Owner's or the User's (or any related person's) interest in such facilities.

Please see Attachment "E" for list of facilities within the state.

2. If there are other facilities within the state, is it expected that any of these other facilities will close or be subject to reduced activity as a result of the proposed Project?

D yes

X no

3. If you answered "No" to question 2 above, please explain in detail how current facilities will be utilized.

All current facilities will continue to be utilized for normal ongoing operations
and are not related to, nor impacted by, this potential project.

4. If you answered "Yes" to question 2 above, please indicate whether the Project is reasonably necessary for the Owner or User, as applicable, to maintain its competitive position in its industry and explain in detail.

N/A

5. Has the Owner or the User thought about moving to another state? Has the Owner or the User engaged in any negotiations in that regard? If so, please explain.

Lockheed Martin has existing facilities in Arkansas, Florida, and Texas that can accommodate this project. The Company is not engaged in negotiations at this time.

6. Will the Project meet current zoning requirements at its proposed location?

X yes

D no

- a) What is the present zoning? Industrial
- b) What zoning is required? Industrial
- c) If a change of zoning is required, please provide the details regarding, and described the status of, any change of zoning request.

VI. MEASURES OF GROWTH AND BENEFITS

- A.** Please complete the chart below by indicating on line #1 the present number of full-time or equivalent employees and the annual payroll for all current facilities of the User. On line #2, please provide the information with respect to Tioga County facilities only. (If no facilities are currently in Tioga County, indicate "0.") On lines #3 and #4, provide projections of employment and payroll at the proposed Project in Tioga County for the first and second year after the Project's completion:

	<u>Full Time or Equivalent Employees</u>	<u>Annual Payroll \$</u>
1. PRESENT (All Current Facilities)		
2. PRESENT (Tioga County Only)		
3. FIRST YEAR (Tioga County Only)		
4. SECOND YEAR (Tioga County Only)		

- B. What, if any, will be the expected increase in the annual dollar amount of sales or business activity?

- C. Describe, if applicable, other benefits anticipated as a result of this Project, including but not limited to job retention.

Lockheed Martin is excited about the opportunity to locate this project at its Owego, NY site. This initiative would strengthen the Company's long-standing presence in the area while delivering significant benefits to the Tioga County community. Ultimately, the project would contribute to the long-term economic resilience and well-being of the area.

VII. PROJECT CONSTRUCTION SCHEDULE

- A. What is the proposed date for commencement of construction or acquisition of the Project?

Before 12/31/2025

- B. Give an accurate estimate of the time schedule to complete the Project and when the first use of the Project is expected to occur (use additional sheets if necessary).

The project is expected to be completed by the end of 2027. Areas within the project space would be ready for use mid-2026.

- C. At what time or times and in what amount or amounts is it estimated that funds will be required? Please provide your most accurate estimate.

N/A

VIII. WHAT TYPE OF FINANCIAL ASSISTANCE IS THE APPLICANT REQUESTING?

D Standard PILOT

X Deviation from Standard PILOT

If Deviation from Standard PILOT is requested, please explain

Deviation from Standard PILOT as a lease/leaseback with a 20-year term, \$0 PILOT payments for the duration of the term, structured either as a new PILOT Agreement or an extension of Lockheed Martin's existing Tioga County PILOT Agreement. Please note that the potential new project under consideration would be located on the same real property tax map number (129.00-2-1.3) as the existing PILOT

IX. ATTACH THE FOLLOWING FINANCIAL INFORMATION OF THE OWNER AND THE USER

- A. Financial statements for last two fiscal years (unless included in the Owner's or User's annual report. Lockheed Martin Corporation (LMT) is a publicly traded company. LMT's financial information requested here and below is available in its SEC filings <https://investors.lockheedmartin.com/financial-information/sec-filings>.
- B. Owner's and User's annual reports (or Form 10-Ks) for the two most recent fiscal years. Please see above.
- C. Quarterly reports (Form 10-Qs) and current reports (Form 8-Ks) since the most recent annual report, if any. Please see above.
- D. In addition, if applicable, please attach the financial information described above in items A, B, and C of any expected guarantor of a proposed bond issue other than the Owner or the User. N/A
- E. Upon the request of the Applicant, the Agency will review the information submitted pursuant to this Section VIII and return all copies to the Applicant within two weeks after the inducement date. Please indicate whether you require the information to be returned.

CERTIFICATION

Latisha R. Rourke (name of representative of entity submitting application, or name of individual submitting application) deposes and says that s/he (choose and complete one of the following two options) (i) is a/the GM Vice President, Maritime Systems (title) of Lockheed Martin Corporation (entity name), the entity named in the attached application, or (ii) is the individual named in the attached application; that s/he has read the foregoing application and knows the contents thereof; and that the same is true to his/her knowledge.

Deponent further says that s/he is duly authorized to make this certification on behalf of her/himself or on behalf of the entity named in the attached application. The grounds of deponent's belief relative to all matters in said application which are not stated upon his/her own personal knowledge are investigations which deponent has caused to be made concerning the subject matter of this application as well as, if deponent is not an individual applicant, information acquired by deponent in the course of his/her duties in connection with said entity and from the books and papers of said entity.

As (i) the representative of said entity, or (ii) the individual applicant (such entity or individual applicant hereinafter referred to as the "Applicant"), deponent acknowledges and agrees that the Applicant shall be and is responsible for all costs incurred by the Tioga County Industrial Development Agency (hereinafter referred to as the "Agency") acting on behalf of the Applicant in connection with this application and all matters relating to the issuance of bonds or the provision of financial assistance to which this application relates. If, for any reason whatsoever, the Applicant fails to conclude or consummate necessary negotiations or fails to act within a reasonable or specified period of time to take reasonable, proper or requested action or withdraws, abandons, cancels or neglects the application, then upon presentation of an invoice, the Applicant shall pay to the Agency, its agents or assigns, all actual costs incurred with respect to the application up to that date and time, including fees to bond counsel or transaction counsel for the Agency and fees of general counsel for the Agency. Upon the successful conclusion of the transaction or sale of the bond issue contemplated herein, the Applicant shall pay to the Agency an administrative fee set by the Agency in accordance with its fee schedule in effect on the date of the foregoing application, which amount is payable at closing. The Applicant understands that the Agency's bond counsel's fees and general counsel's fees are considered issuance expenses and, therefore, can be paid or reimbursed out of the proceeds of any resultant tax-exempt bond issue only up to an aggregate amount not exceeding 2% of the face amount of such tax-exempt issue.

**NEW YORK STATE FINANCIAL REPORTING
REQUIREMENTS FOR INDUSTRIAL DEVELOPMENT AGENCIES**

Please be advised that the New York General Municipal Law imposes certain reporting requirements on IDAs and recipients of IDA financial assistance. Of particular importance to IDA applicants is Section 859 (copy attached). This section requires IDAs to transmit financial statements within 90 days following the end of an Agency's fiscal year (Tioga County IDA FY is calendar), prepared by an independent, certified public accountant, to the New York State Comptroller, the Commissioner of the New York State Department of Economic Development and the governing body of the municipality for whose benefit the Agency was created (Tioga County). These audited financial statements shall include supplemental schedules listing the following information:

1. All straight-lease ("sale-leaseback") transactions and whether or not they are obligations of the Agency.
2. All bonds and notes issued, outstanding or retired during the period and whether or not they are or were obligations of the Agency.
3. All new bond issues shall be listed and for each new bond issue, the following information is required:
 - a. Name of the project financed with the bond proceeds.
 - b. Whether the project occupant is a not-for-profit corporation.
 - c. Name and address of each owner of the project.
 - d. The estimated amount of tax exemptions authorized for each project.
 - e. Purpose for which the bond was issued.
 - f. Bond interest rate at issuance and, if variable, the range of interest rates applicable.
 - g. Bond maturity date.
 - h. Federal tax status of the bond issue.
 - i. Estimate of the number of jobs created and retained for the project.
4. All new straight lease transactions shall be listed and for each new straight lease transaction, the following information is required:
 - a. Name of the project.
 - b. Whether the project occupant is a not-for-profit corporation.
 - c. Name and address of each owner of the project.
 - d. The estimated amount of tax exemptions authorized for each project.
 - e. Purpose for which each transaction was made.
 - f. Method of financial assistance utilized for each project, other than the tax exemptions claimed by the project.
 - g. Estimate of the number of jobs created and retained for the project.

Also of importance to IDA applicants is Section 874(8) of the General Municipal Law (copy

attached), which requires agents (i.e., project owners and/or occupants) of the Agency to file an annual statement with the State Department of Taxation and Finance, of the value of all sales tax exemptions claimed by such agents or their agents, including but not limited to consultants or subcontractors, who claim exemption from sales tax by virtue of the Agency's involvement in a transaction. The penalty for failure to file the statement is removal of authority to act as agent of the Agency.

Please sign below to indicate that you have read and understood the above.

If an expenditure may be either treated as a capital expenditure or may be currently expensed, for these purposes it must be treated as a capital expenditure.

Research and development expenses (other than in-house wages and supplies) with respect to a facility must be treated as capital expenditures with respect to products to be produced at the facility and with respect to equipment to be used there. Research and development expenses allocable to the project under the foregoing rule must be treated as capital expenditures with respect to it even though the research and development work takes place in a different municipality or state.

Costs of molds, etc., to be used at a facility are capital expenditures even if paid by the customer.

Costs of Equipment to be moved to a facility are capital expenditures even if the purchase and initial use of the equipment occurred outside the municipality.

- B. List capital expenditures with respect to other facilities of the Company or any related corporation or person, if the facilities are located in the same municipality. N/A
